Institutional Characteristics Header Overview

Welcome to the new Institutional Characteristics Header survey component (IC Header). This survey was introduced to collect data that are key to reporting throughout the IPEDS data collection, and must be completed and locked before any other survey can be started.

Some IC Header questions may require nothing more than a confirmation, if nothing has changed. Please make changes as necessary, and complete items that do need a response (enrollment questions).

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk at 1-877-225-2568 and ask for help to make sure that you are reporting correctly!

Because of the importance of the IC Header data in determining the screens you will receive in other surveys, be sure to report correctly, and to contact the IPEDS Help Desk if you have *any* questions about what you need to report.

The IC Header data affect other survey components in the following ways:

- The Educational Offerings question verifies your institution's inclusion in IPEDS.
- The Control and Levels page is key to all survey components, especially to Finance (F) and Graduation Rates (GRS). Additionally, this is important information for students, impacts many federal reports, and will be used in placing institutions in appropriate net price groupings.
- Calendar system selection impacts student charges data reported in Institutional Characteristics (IC), GRS data, and Student Financial Aid (SFA) data related to the net price calculation.
- Enrollment levels impact student charges in IC and enrollment categories in the Fall Enrollment (EF) survey component.
- The operations question for new institutions determines reporting of 12-month enrollment (E12).

Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

If your institution does not offer occupational, academic or continuing professional programs, you are not expected to complete this or any other IPEDS survey.

<input type="checkbox"/>	<u>Occupational</u> , may lead to a certificate, degree, or other formal award
<input checked="" type="checkbox"/>	<u>Academic</u> , leading to a certificate, degree, or diploma
<input type="checkbox"/>	<u>Continuing professional</u> (postbaccalaureate only)
<input type="checkbox"/>	Recreational or <u>avocational (leisure)</u> programs
<input type="checkbox"/>	<u>Adult basic</u> or remedial instruction or high school equivalency
<input type="checkbox"/>	Secondary (high school)

Part B - Organization - Control and Level

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

<input checked="" type="radio"/>	Public - Select primary and or secondary controls below

2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), determine program length by the number of credit or contact hours, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

You may use the space below to provide context for the data you've reported above.

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the spring, and Graduation Rates data in the spring. It also impacts the net price calculation in the Student Financial Aid survey.

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

Standard academic terms	
Checking Semester, Quarter, Trimester, or 4-1-4 determines that your institution will provide Student Financial Aid and Graduation Rates data based on a <u>FALL COHORT</u> and student charges data for a full <u>ACADEMIC YEAR</u> .	
Checking Other academic calendar determines that your institution will provide Student Financial Aid and Graduation Rates data based on a <u>FULL YEAR COHORT</u> and student charges data for a full <u>ACADEMIC YEAR</u> .

<input type="radio"/>	<u>Differs by program</u>
<input type="radio"/>	<u>Continuous basis</u> (every 2 weeks, monthly, or other period)

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels offered by your institution, even if there are no students currently enrolled at that level.

Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking Yes for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report pricing data (on the IC survey) and Student Financial Aid data (in the spring collection) for this cohort.

5. Do you offer any of the following Doctor's Professional Programs?

Chiropractic (D.C. or D.C.M.), Dentistry (D.D.S. or D.M.D.), Medicine (M.D.), Optometry (O.D.), Osteopathic Medicine (D.O.), Pharmacy (Pharm.D.), Podiatry (Pod.D., D.P., or D.P.M.), Veterinary Medicine (D.V.M.), Law (J.D.)

6. For Fall 2004, did your institution have any full-time first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?

If you answer Yes to this question, you will be required to provide Graduation Rates data for the 2004-05 cohort in the spring collection. If you answer No to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested.

If you reported any full-time, first-time degree/certificate-seeking undergraduates on the 2004-05 Enrollment survey, the data will be preloaded below.

Institutional Characteristics Header Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568.

Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) survey. This survey collects important information about your institution's mission, admissions, students services, and student charges.

Much of the data reported on the IC survey appear on the NCES College Navigator, a college search service for students. It is important to report data correctly, as College Navigator is only updated one time after IC data have been reviewed, so errors may stay on the website for a full year.

Additionally, the pricing data are used to calculate the net price of attendance in the Student Financial Aid survey. This has important implications for what students see about your institution, and also for the net price watchlists.

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk and ask for help to make sure that you are reporting correctly!

Changes to Institutional Characteristics:

- Doctor's-Professional Practice tuition will be collected for 9 selected programs.
- This survey component has been reordered, due to moving some of the items to the IC Header.

Reviews of the IC survey indicate a number of places where many people make errors. Please review the common errors listed below to ensure your institution does not make any reporting errors which may affect your institution's appearance to students and others.

- **Do not try to outsmart fatal errors.** In some cases, this provides false information to students or may cause an institution to appear on a watch list. Fatal errors are there for a reason - contact the Help Desk at 877.225.2568 and they will happily help you to figure out what you are doing incorrectly, or provide an override if necessary.
- **Admissions data are for first-time students only.**
- **Many institutions are open admission but indicate that they are not.** If your institution only requires a GED or other high school equivalent and/or an ability to benefit test, your institution is open admission.
- **If your institution makes numerous exceptions to an on-campus housing requirement, you should not indicate that you require students to live on campus.** This leads to inconsistent and problematic reporting on the Student Financial Aid survey.
- **Program reporters need to report tuition, fees, and living expenses for the entire length of the program for which they are reporting.** This has major implications for the calculation of net price.

If your institution does not have an open admission policy, you will be expected to answer additional questions (B2, B3, and B4) regarding your admissions procedures and admissions yield.

12-month Enrollment Overview

The 12-Month Enrollment component collects unduplicated student enrollment counts and instructional activity data for an entire 12-month period. Using the instructional activity data reported, a full-time equivalent (FTE) student enrollment at the undergraduate and graduate level is estimated. NCES uses the FTE enrollment to produce indicators such as expenses by function per FTE as reported in the IPEDS Data Feedback Report.

Data Reporting Reminders:

- Institutions are now required to use the new postbaccalaureate degree categories (eliminating the first-professional category and reclassifying those programs).

In part A, all postbaccalaureate students are to be reported as graduate students, including any Doctor's - professional practice students (formerly first-professional). In Part B, all postbaccalaureate instructional activity is to be reported as graduate level activity, including any Doctor's - professional practice activity (formerly first-professional). Instructional activity data reported in Part B will be used to calculate your institution's total FTE students.

- Report an alternate FTE, when appropriate. If you have correctly reported your credit and/or contact hour data and the system calculated FTE estimates are not reasonable for your institution, you have the opportunity to enter more accurate FTE data for your institution. This option should be used ONLY if the system calculated estimates are not reasonable and your alternate calculation method should be clearly detailed if an edit is received.

12-Month Enrollment Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Overview**IPEDS Student Financial Aid Component Overview
Public Academic Reporters**

Welcome to the Student Financial Aid (SFA) component of the U.S. Department of Education's Integrated Postsecondary Education Data System (IPEDS)!

The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students at your institution.

BEFORE YOU BEGIN

You will need the following materials to complete this survey:

- SFA instructions
- Counts and dollars amounts of different types of aid received by the following students in the 2009-10 full financial aid year:
 - Group 1.** All undergraduate students
 - Group 2.** Of the students in Group 1, those who are full-time, first-time degree/certificate-seeking students
 - Group 3.** Of the students in Group 2, those paying in-state or in-district tuition who received grant or scholarship aid from the federal government, state/local government, or the institution
 - Group 4.** Of the students in Group 2, those paying in-state or in-district tuition who received Title IV federal student aid
- Living arrangement information for Group 3 and Group 4 students in the 2009-10 full financial aid year
- Income categories for Group 4 students in the 2009-10 full financial aid year

KEY CONCEPTS**Groups**

In this component, you will be asked to report information regarding different groups of students. See below for a visual representation of these various groups.

Aid Received

Throughout the instructions, the word “received” refers to financial aid that was awarded to, and accepted by, a student. This amount may differ from the aid amount that is disbursed to a student.

Interactive Edits and Error Messages

The SFA component contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk for resolution.

Context Boxes

You will find optional text boxes throughout the SFA component. Context boxes allow you to provide more information about the data you enter. Note that some of these context boxes will be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

Part C, Page 2**Part C - Enter Financial Aid About Group 2, Page 2**

Group 2 students are all full-time, first-time degree/certificate-seeking undergraduate students enrolled in Fall 2009.

For this part, report:

- Unduplicated student counts within a given aid category (e.g., Pell grants). However, a student can appear in more than one aid category.
- Only grant or scholarship aid received by Group 2 students from the federal government, state/local government, and from your institution. Do not include grant or scholarship aid from private or other sources (e.g., Rotary Club Scholarship).
- Loans to Group 2 students from the federal government and from other sources (including private loans). Do not include PLUS loans (which are made to the parent of the student).
- Financial aid received by Group 2 students at any time during the full aid year (academic year 2009-10).

Note: Two aid categories in this section are further disaggregated into subcategories. Because students may receive more than one type of aid, the sum of the values you enter in the subcategories will not necessarily equal the value you enter in the aid category. However, the total number of students reported for the aid category cannot exceed the sum of subcategories. (For example, the number of students receiving federal grants cannot exceed the sum of the number of students receiving Pell grants and the number receiving other federal grants). In addition, the total number of students reported for an aid category must be at least as large as the largest of those reported in a subcategory.

Summary**IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Overview

Graduation Rates Overview

The Graduation Rate component of the IPEDS survey collects data on the cohort of first-time, full-time, degree/certificate-seeking undergraduates and tracks them for 150% of the normal time of their program to see how many complete. This information is collected as part of the Student-Right-to-Know Act.

Data Reporting Reminders

Once a student is in the cohort, they remain in the cohort, even if they switch to part-time or drop out. However, adjustments can be made to the initial cohort for exclusions, which include the death of a student, permanent disability, military deployment, or an official church mission.

Section I - Graduation Rate - Establishing Cohorts**Cohort revision**

The Initial Cohort is comprised of the number of first-time, full-time undergraduate degree/certificate-seeking students, as they were reported in Column 1 of the 2004 IPEDS Enrollment survey

Institutions are permitted to make revisions to the initial cohort. The revisions can be either:

1. An actual change in the number of students in the cohort due to cohort-eligible students that were previously omitted from the initial cohort
2. A reclassification of students within gender or racial/ethnic categories with no actual change in the cohort total

No revisions should be made for anyone who dropped out, transferred to another institution, or became a part-time student.

Does your institution have any revisions to make to your preloaded Initial Cohort?

Section II - Graduation Rate - Transfers/exclusions

REMINDER: This screen contains both NEW and OLD race/ethnicity categories.
Report each individual only ONCE, in either a new category OR an old category.
Do NOT double count individuals!

Report ALL Nonresident aliens and Race and ethnicity unknown in the 'Categories used in BOTH New and Old' section.

In the columns below, report the status of the BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Col 10, who did not complete a program as of August 31, 2010.

Report transfers-out who did not complete a program in Col 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.

Report exclusions from the cohort in Col 45. The ONLY allowable categories for this column are:

students who died or became permanently disabled

students who left school to serve in the armed forces (or have been called up to active duty)

students who left school to serve with a foreign aid service of the Federal Government

students who left school to serve on an official church mission

Col 49 [non-completers (still enrolled + not enrolled) and completers > 150% of normal time] will be calculated for you

If you do not have any values to enter in either column 30 or 45, you must enter at least one zero in a field on this screen

Summary**2010 IPEDS Graduation Rate Component Data Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Fall Enrollment 2010-11

Institution: University of Central Florida (132903)

User ID: P1329031

Overview**Fall Enrollment Overview**

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Every other year data on residence of first-time undergraduates is required and in opposite years, enrollment by student age is required to be reported.

For institutions operating on a traditional academic year calendar (semester, trimester, quarter, 4-1-4, or other academic year), Fall enrollment should be reported as of the institution's official fall reporting date or October 15. For institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters), Fall enrollment is reported for students enrolled any time during the period August 1 and October 31.

Data Reporting Reminders:

- Institutions are now required to report using the new race/ethnicity categories. Using the new race/ethnicity categories was optional in the Spring 2009 and 2010 collections and is required in the current Spring 2011 collection.
- For four-year institutions, reporting enrollment by selected fields of study is **mandatory** this year. In Part A, enrollment in the selected fields will need to be reported on separate screens in addition to the total enrollment reported on the summary screens (CIP 99.0000).
- Part B, Enrollment of students by age, is **optional** this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduate students, is **required** this year.

Part E - First-time Bachelor's Cohort Retention Rates**Retention rates will be calculated based on information provided below.**

Academic reporters report retention data as of the institution's official fall reporting date or as of October 15. Program reporters report retention data on students enrolled in the institution at any time between August 1 and October 31.

If there are no students to be reported in a cohort, please enter zero. Do not leave the field blank.

When reporting data below, remember to:

- Include only first-time **bachelor's** students in your full- and part-time cohorts. Do not include students who transferred into your institution.
- Determine student status (full- or part-time) using Fall 2009 status (e.g. if a student was part-time in Fall 2009, report them in the part-time cohort regardless of their Fall 2010 status).
- Report in the exclusions boxes the number of students from each cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g. Peace Corps); or to serve on official church missions.

The system will subtract exclusions from the original cohorts and use adjusted cohorts for calculating retention rates. **Retention rates will be calculated by the system after clicking 'Save.'**

Summary

Human Resources Component Summary (Applicable to Degree-granting institutions and Related Administrative Offices)

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Graduate assistants are not included in the above figures. Many of the FTE figures are included in the DFR.

No academic rank						

NOTE: The above data are based on the Salaries section of the IPEDS HR component. The number of equated 9-month full-time instructional staff is the sum of staff on 9/10-month and 11/12-month contracts. The equated 9-month average salaries of full-time instructional staff (by rank) are calculated by multiplying the salary outlays (by rank) for staff on 11/12-month contracts by 0.8182 then adding the salary outlays (by rank) for staff on 9/10-month contracts. The resulting sum is then divided by the number of equated 9-month full-time instructional staff (by rank) to determine an average salary for each rank. Salaries of full-time instructional staff on less-than-9-month contracts are not collected. Also, salaries of medical school staff are not collected. The equated 9-month average salaries are included in the DFR.
