Brief Description of Institution

The University of Central Florida is a public metropolitan research university built to power the future. Founded to fuel the space race, UCF has grown into Florida's Premier University for Engineering, Technology, and Innovation, a place where imagination and determination turn bold ideas into real-world impact. Each year, more than 18,000 Knights earn degrees that prepare them to lead, and 85% of UCF's graduates launch their high-impact careers in Florida, strengthening the state's workforce and economy. Through powerful partnerships with industry and government, UCF connects talent, opportunity, and possibility -- producing graduates ready to solve problems, drive discovery, and shape tomorrow's economy. Recognized by U.S. News & World Report as one of the nation's most innovative universities, UCF continues to prove that the future is not something we wait for -- it is something we dare to invent.
